Experience

Various Freelance

August 2010 - Present

I've been freelancing through Creative Circle over a year. I've worked for Manifest Digital, Burgopak, Zocalo Group, and a park district. I've worked on print and web design.

Downtown Partners Chicago, Chicago, IL

Freelance Graphic Designer

September 2010 - May 2011

I worked on a couple identities including TeeOff.com and the new Chicago News Cooperative. I also worked on the redesign of the Chicago News Cooperative website, www.chicagonewscoop.org.

AECOM, Alexandria, VA

Graphic Designer

August 2009 - June 2010

I handled all the design needs of the office. I worked on identities, posters, brochures, and flash presentations. I spoke and worked with printing vendors to quote jobs and making sure the jobs came back as desired. I helped with any issues in the Adobe software from answering questions to teaching the staff new features and tricks.

Q Ltd., Ann Arbor, MI

Graphic Design Intern

Summer 2009

I worked on an identity for a summer camp for kids with special needs. I also created a flash animation on their web site – www.qltd.com. I helped create brochures and other print materials as well.

City of Ann Arbor, Ann Arbor, MI

Freelance / Senior Project

Fall 2008 - Spring 2009

I worked with the City of Ann Arbor to create a handbook for students at the University of Michigan on the topic of living more sustainably. After the school year I continued to work with them to create a web site for the handbook – www.a2greenguide.com. I also worked with them to rebrand their recycling and waste dumpsters.

University of Michigan, Ann Arbor, MI

Freelance Designer

May 2010 - present

I have designed a couple of logos for the U of M fundraising department. I also designed the New Alumni Packet which went out to all of the recent alumni of the University. Recently I have done a lot of direct mail work for them.
